

Dear LARK Conservatory Parents,

As we reopen our classrooms, the faculty and staff at Lark Conservatory have been preparing for another exciting year for our students to learn and thrive. We believe deeply in the mission of culture, and strive continually to remain a beacon of the Armenian heritage in the Diaspora, both for ourselves and for our youth. We remain fortified in this mission through unquestioning resolve and dedication to our vision, evidenced by the overwhelming show of continuous support from our community. We welcome our new and returning students to our 2019-20 academic school year.

This year, we have decided to push back the start date of our school year to Saturday, September 7, 2019. **Orientation and registration will take place from Tuesday, September 3 through Thursday, September 5 in Lark’s Turpanjian Hall, between 4:00–8:00 PM.** We would please urge you to schedule an appointment time for these dates by calling or emailing our office. Along with the students, parents and family members are highly encouraged to attend orientation to familiarize themselves with our campus, our comprehensive music program, and all the activities that will take place throughout the 2019-2020 school year.

Over the past few years, we have steadily increased the tuition to help cover our operational expenses. This year, the tuition prices will remain unchanged, \$225 per month for preparatory level matriculation (for more detailed information on the new tuition payment schedule, please contact our office). We will also be collecting a \$100 Registration Fee to cover the cost of workbooks, supplies, performance materials, and recitals.

During registration, students will receive their schedule of classes for the upcoming academic year, along with their class materials, an academic calendar, and a review of rules & regulations so you may familiarize yourselves with our school’s operation. As usual, all group classes (Preparatory through Advanced) will take place only on Saturdays.

We look forward to another exhilarating and productive school year, as we work together for the welfare and cultural advancement of our youth.

Sincerely,
Ashot Kartalyan
Principal - Lark Conservatory
